

ABERTILLERY & DISTRICT MUSEUM

Market Street, Abertillery NP13 1AH

Teachers – we can help!

Our community museum, run entirely by volunteers, would like to welcome your school. We can cater for pupils of all ages and are happy to work alongside you to make your visit as interesting and worthwhile as possible and to assist in any area of the school curriculum that could be enhanced by such a visit, just let us know. Here are some ideas we can offer:-

- Open visits.
- Themed visits on such subjects as rationing, warfare, Victorian washday, toys, mining, dressing up and more.
- We can host groups of up to 30 children at one time.
- We have handling collections.
- We will do our best to help if you have a particular topic request.
- There is no charge and we provide the children with free squash and biscuits (all we ask in return is that, *if possible*, each child brings £1 to spend in the museum shop).
- Our usual opening times are: **Thursday, Friday and Saturday 10am to 1pm** but we will do our best to accommodate visits outside these hours if necessary.

Our contact details are:-

Email: abertillerymuseum@btconnect.com

Tel: 01495 211140 (during opening hours above)
